

List of Journals for Bibliography

Journals for which a correspondent is sought, to list all useful articles for the Vernacular Architecture Bibliography. The volume and year are those for the latest entry included in the previous bibliography (but we have not been able to check if 'nil' returns have been sent in for later years).

If you can help, please send your name and e-mail address to Mike Hall (lindajhall61@googlemail.com) by 1st March 2012.
